# Krismandala Amertha Yoga

## Web Developer & UI/UX Designer

I'm a web developer focused on Laravel, UI/UX Design, and delightful user experiences. Aside from development work, I'm part of Kyoma.

## EXPERIENCE

2021 — Now

### Freelance Web Developer · The Studio

The Studio · studio.kyomacorner.com

Designing and building custom websites and web applications for clients across various industries — from landing pages and company profiles to full-stack platforms with admin panels and client workspace systems. Specializing in Laravel, clean UI/UX design, and scalable web architecture.

2024

### Web Developer · GAV Money Changer Bali

GAV Money Changer Bali

Developed the company profile website for GAV Money Changer Bali, one of Bali's trusted currency exchange services. Focused on delivering a clean, professional online presence with optimized performance and SEO.

## EDUCATION

2017 — 2021

### Institut Bisnis dan Teknologi Indonesia (INSTIKI)

S1 · Teknik Informatika
